ISCR Case No. 21-

Applicant for Security Clearance

April 21, 2022

Decision

Applicant's eligibility and suitability for a security clearance. For all these reasons, I conclude Applicant mitigated the Foreign Influence security concerns.

Formal Findings

Formal findings for or against Applicant on the allegations set forth in the SOR, as required by ¶ E3.1.25 of the Directive, are:

Paragraph 1, Guideline B:

FOR APPLICANT

Subparagraphs 1.a~1.j:

For Applicant

Conclusion

In light of all of the circumstances presented by the record in this case, it is clearly consistent with the national interest to grant Applicant national security eligibility and a security clearance. Eligibility for access to classified information is granted.
